

Aoi Higashimoto

■ Profile

Ai Kishimoto ~Calligrapher artist/Show performer~

Born in 1982 in Kyoto, Japan. Age when I worked for a sales rep of KIMONO, I started to write a thank-you letter to my customer, and I met a calligraphy brush. At that time, I made my own original calligraphy style. I named that style [SINSHO] means "Calligraphy of Heart"

I started my business at the age of 25. In 10 years, I provided work to more than 10,000 people. Collecting attention with a wide range of creative activities such as collaboration with various artists, musicians, dancers, cooks and others. Including Paris and Milano, Los Angeles, Sydney, Hawaii, Shanghai, Thailand, I received requests from all over the world, I painted calligraphy murals and did performances and workshops. In Japan, I also provided training in major companies, public junior high schools and etc.

I founded an association of "SINSHO" and started an online school. Over 2000 students at home or abroad have studied at the online school. I also train lecturers of "SINSHO" calligraphy. Currently I am challenging activities in the world as a calligraphy performer.

In private, I have a husband, a 10-year-old son and a 2-year-old daughter's family

Height: 170cm Bust: 86cm Waist: 63cm Hip: 87cm Shoes: 24.0cm Blood type:O
